

STUDENTS' MEETINGS.

These will be held at the A.B.C. (opposite Victoria),
Ladies' Room upstairs, on the following dates :—

March 22nd.

May 3rd.

October 25th.

November 22nd.

December 13th.

It is regretted that these meetings are not better attended. It was thought many would prefer a public meeting place, but this is apparently not the case. At the meeting fixed for February 22nd only one member was present. The largest meeting we have had was that of November 13th, held at 50, Porchester Terrace, by kind invitation of Mrs. Franklin, when members had the opportunity of seeing Miss Mason's portrait before it went up to Ambleside; also of seeing some beautiful photographs of Italian pictures that Mrs. Franklin had brought from Italy.

On January 25th, three members were present—E. Allen, L. Gray, M. Flower—when Lilian Gray was formally installed as Treasurer of the Association, in lieu of Mrs. Pickford, resigned.

A small Students' Debating Club has been formed, which meets at different houses once a fortnight. Subjects so far have been: Is Imagination on the Increase or Decrease? What Constitutes a Great Man? These afforded much interesting discussion. It is hoped they will be continued through the summer, when no meetings are held. Particulars may be had from L. Faunce, 8, Westbourne Terrace, W.

It is requested that all changes of address may be sent to the Secretary, *not* to the Editor or Treasurer.

E. C. ALLEN, Secretary.
